Health Professional Receive Diplomas from Chinese University

A total of 74 diligent doctors, nurses and allied health professionals are receiving diplomas from The Chinese University of Hong Kong on Friday (Oct 27) after completing various post-graduate and continuing educational courses while retaining a full-time job.

The courses in Epidemiology & Applied Statistics, Family Medicine, Occupational Hygiene and Occupational Health Practice are jointly organised by the University's Department of Community & Family Medicine and the School of Continuing Studies. The number of graduates have more than doubled since these courses were first started in 1985.

Mrs Shelley Lau, Director of Home Affairs, will be the guest-of-honour in the ceremony. She will deliver a speech after the Welcoming Remarks by Prof. Shiu Hung Lee, Chairman of the Department of Community & Family Medicine of CUHK.

You are cordially invited to send a representative to cover the event.
