新聞稿 PRESS RELEASE

A brief ceremony, to mark the opening of the Town Centre of The Chinese University of Hong Kong's 3-Year MBA Programme took place yesterday (January 20) at the Town Centre premises in the East Ocean Centre at Tsimshatsui East.

The Hon. Sir Philip Haddon-Cave, the Chief Secretary, officiated at the ceremony. Other members of the official party were the Chairman of the Council, Dr. Q.W. Lee; the Vice-Chancellor, Dr. Ma Lin; the Co-Chairmen of the Programme's Advisory Board, Mr. Cheng Yu Tung and Mr. Fung King Hey; and the Director of the Programme, Professor Y.T. Chung. The ceremony was attended by around 100 guests including members of University Council and of the 3-Year MBA Programme's Advisory Board, donors of the Town Centre premises, as well as staff of the University.

The Town Centre occupies a floor area of over 360 sq. meters on the third floor of the conveniently-located East Ocean Centre. It consists of three classrooms (each with a seating capacity of sixty to seventy students), as well as office area and space for seminar and small group discussion. The Centre is also equipped with several computer terminals which are connected to the computer systems of the University.

The new premises were purchased with a fund of over seven million Hong Kong dollars generously donated by members of the local business community who are genuinely concerned with further training opportunities for talented and enterprising executives in Hong Kong.

January 20, 1983.
