Caritas Medical Centre Receives Donation From
Wu Jieh Yee Fund

Last year, in commemoration of Mr. Wu Jieh Yee's retirement, the staff of Wing Lung Bank had collectively donated a sum of HK\$500,000 to the Faculty of Medicine of The Chinese University of Hong Kong to set up the Wu Jieh Yee Fund for the purpose of promoting training in the rehabilitation of the disabled.

The Faculty of Medicine of The Chinese University now announces that a sum of HK\$50,000 from the accrued interest on the Fund will be donated to the Caritas Medical Centre for the purpose of acquiring additional instruments for the specialty of Orthopaedic & Traumatic Surgery. The Department of Orthopaedic & Traumatic Surgery in the University will make use of these instruments to conduct research in this area at the Caritas Medical Centre, and to enhance the training of specialists to care for the handicapped patients.
