### Five Chinese University Students Awarded BAT Scholarships

The British-American Tobacco Co. (HK) Ltd. has been offering scholarships to academically outstanding students of the part-time degree programmes at The Chinese University of Hong Kong on a yearly basis.

The BAT Scholarship Scheme was established at the Chinese University in 1985 when the Part-time Degree Programmes were newly introduced with only four programmes. The Part-time Degree Programmes have since expanded to include nine different programmes.

Students of the Part-time Degree Programmes are often regarded as highly motivated learners among the student population. Many of them, apart from working full-time and studying part-time, have also to take care of their parents or their own families. The devotion and perseverance which these students have shown throughout their course of studies is well deserved of praise and recognition.

This year, five scholarships of HK\$12,000 were offered to Ms. Chang Chi-shan (Biology-Chemistry), Ms. Poon Wai-kuen (Business Administration), Mr. Chan Chi-shing (Chinese-English), Ms. Siu Yin-fan (Mathematics-Statistics) and Ms. Au Sau-woon (Music). Mr. Peter Kuk, Public Affairs Manager of BAT presented the awards to the winners at a ceremony held recently in the university.
