

新聞稿 PRESS RELEASE

香港中文大學於上週六（一月十二日）舉行學院開放日，以活潑生動的形式向到訪的初中六及中七同學介紹該校各學院的課程及設施，加強了該校與中學生的溝通。

是次學院開放日是中大歷年來首次舉辦，該校文、理、社、商、醫五個學院屬下多個學系均於當日開放其設施如實驗室、課室、畫室等讓到訪的同學參觀，並通過資料展覽、座談會、錄影帶播映、實驗室示範、各式各樣的途徑，由教師親自向同學介紹各個學系的課程、先進教學設備以及學生團體的課餘活動，並派發資料單張及小冊子，讓同學對中大的課程及大學生活有進一步的認識。

當日到場參觀的同學，很多就課程、入學條件及畢業生出路等方面提出問題，而在場教師就逐一解答。是次學院開放日不僅讓預科同學更了解中文大學，亦使中大更加明白他們的需要。

On its first Faculty Open Day held last Saturday (January 12), The Chinese University of Hong Kong introduced its academic programmes and facilities to visiting secondary six and secondary seven, enhancing communication between secondary students and the University.

On the day, the five faculties of the Chinese University, namely the Faculties of Arts, Business Administration, Medicine, Science and Social Science, and a number of departments opened their facilities including class rooms, laboratories and art rooms to visiting students. Through a variety of informal and lively activities such as exhibitions, seminars, videos, and laboratory demonstrations, teachers of the departments concerned familiarize visiting students with the University's academic programmes, advanced teaching facilities as well as student social and cultural activities on campus. Fact sheets and pamphlets were distributed to provide supplementary information.

Many of the visiting students raised questions on the content and structure of the University's academic programmes, admission requirements and career prospects. Hence the Faculty Open Day not only allowed secondary students to better understand the Chinese University, but also enable the University to identify the needs of the students.
