The Refresher Training Course for Serving Secondary School Teachers

Brief Introduction

The Refresher Training Course for Serving Secondary School Teachers is offered by the Faculty of Education, the Chinese University of Hong Kong at the request of the Education Department of the Hong Kong Government. Each lasting for a year, the course is funded by the Education Department for a period of three years from 1992-95.

This Programme is structured on the basis of the theme on "Better Teaching Quality with Innovative Ideas" in order to meet the needs and challenges of the changing society in Hong Kong. It aims at preparing teachers (a) with a better understanding of recent developments in teaching methods and strategies as well as educational theories and ideas, and (b) with enriched experiences in applying the learned theories, ideas, methods and strategies to tackle current problems in school management, counselling practices, and classroom instruction.

Participants of the Refresher Training Course are required to attend four hours of lectures on alternate Saturday mornings for 20 weeks, and to participate in independent study sessions to complete assignments and projects. Upon completion of the programme and to the satisfaction of the teaching staff concerned, participants will be awarded a certificate of attendance by the University.
