出席典禮人士包括本港多所教育及醫療機構代表，中文大學成員及邵爵士之各界友好等超過九十人。

The University of Sussex in the UK has conferred an honorary degree of Doctor of Letters on Sir Run Run Shaw at a congregation which took place in Brighton in July. Owing to his other commitments, Sir Run Run has not been able to attend the ceremony.

The Registrar and Secretary of the University of Sussex, Dr Geoffrey Lockwood, arrived in Hong Kong last week and at a brief presentation ceremony which was held yesterday (September 1) at The Chinese University of Hong Kong, Dr Lockwood formally presented the degree certificate to Sir Run Run.

Present at yesterday's ceremony were representatives from the various education and medical institutions, members of The Chinese University as well as long-time friends of Sir Run Run. Over 90 guests attended.
