中大獲澳洲捐贈歷史參考書

香港中文大學最近獲澳洲捐贈一套大型澳洲歷史參考書。

該套參考書共十一冊，由澳洲一批著名歷史學者編撰，以紀念澳洲於一九八八年立國二百週年。參考書詳細敘述澳洲發展歷史，輔以地圖及統計圖表，堪為研究澳洲歷史的重要參考資料。

日前在中大舉行之一項贈書儀式中，澳洲駐港總領事彭杰富先生將該套書籍交與中大校長高錕教授。

CUHK Received History Books
from Australian Consulate General

The Chinese University of Hong Kong recently received from the Australian Consulate General a set of reference books on Australian history, Australians: A Historical Library.

The set of books in 11 volumes was compiled by a group of Australia's most respected historians to commemorate the bicentenary of European settlement in Australia in 1988. Australians: A Historical Library which contains a comprehensive historical account of the continent illustrated with atlas and statistics will provide the University with an excellent reference on Australian history.

At a brief presentation ceremony held in the University, Mr G R Bentley, Australian Consul General, presented the books to Professor Charles K Kao, the Vice-Chancellor of the University.
