MAY 27, 1995

PRESS REMINDER

Six of Hong Kong's strongest chess-players will be competing against the world's best chess-playing computers in what is expected to be a "tooth-and-nail" fight - to take place on May 28 at the Chinese University of Hong Kong.

The match is organized as a part of the 8th ICCA Computer Chess World Championships which is held for the first time in Asia.

You are cordially invited to send representatives to cover the event and the closing and award presentation ceremony of the Championship. Details are as follows:
