### Civil Service Careers Exhibition

A two-day Civil Service Careers Exhibition is being staged at The Chinese University of Hong Kong. The Exhibition was opened by Mr Andrew Li, Chairman of the University and Polytechnic Grants Committee; The Hon. E B Wiggham, Secretary for the Civil Service; and Mr Tony Fung, Chairman of the University Appointments Board, at a brief ceremony held yesterday (November 1).

The Civil Service Careers Exhibition, located at the University's Sir Run Run Shaw Hall, is organized by the University's Appointments Service in collaboration with the Civil Service Branch of the Government Secretariat. This Exhibition aims at providing the students of the University with a comprehensive picture of career opportunities in the Civil Service. A total of 27 Government departments/units have participated in the Exhibition, including the Audit Department, Census and Statistics Department, Correctional Services Department, Customs and Excise Department, Education Department, Fire Services Department, Government Laboratory, Government Secretariat: Administrative Service Division (CSB), Appointments Division (CSB), Chinese Language Division, General Grades Division (CSB), Finance Branch, Office of the Commissioner of Banking, Trade and Industry Branch, Government Supplies Department, Housing Department, Information Services Department, Information Technology Services Department, Inland Revenue Department, Labour Department, Planning, Environment and Lands and Works Group of Departments, Radio Television Hong Kong, Urban Services Department, Registrar General's Department, Royal Observatory, Royal Hong Kong Police Force, Social Welfare Department, Treasury. Experienced Government Officers of these Departments are also available on the spot to offer counselling service to students.

The Exhibition which was first introduced in 1979 has attracted large number of viewers throughout the years.
