

Press Release

The Union Carbide, Asia Limited again offered a three-year scholarship to Chung Chi College of the Chinese University of Hong Kong for a second year student in Chemistry. A cheque of HK\$6,000, which is the first installment of the scholarship, was recently handed to Mr. Yam Tsz Man by Mrs. E.P. Hsiao, Employee Relations Manager of the Union Carbide Company, at the 32nd Anniversary of Founders' Day Thanksgiving Service of Chung Chi College. The Union Carbide Company has wide interests throughout Asia and wishes to encourage promising young scientists.
