中大物理系研討會  
邀請中國科學院院長主講

中國科學院院長周光召教授應香港中文大學物理系邀請，將於十月二十二日（星期二）下午三時三十分在該校科學館L5講室一個研討會中主講，講題為「中國科學院科研現狀」，歡迎各界人士參加。

周光召教授是中國傑出的物理學家，專注於基本粒子、爆炸物理和輻射流體力學的研究，尤其在促進中國的科技研究和發展方面作出重大貢獻，他的傑出成就備受各界稱許。

周教授將於本月二十四日出席香港中文大學第四十二屆頒授學位典禮，接受該校頒予榮譽理學博士學位。

## Prof Zhou to speak at the seminar at CUHK

Prof Zhou Guangzhao, President of the Chinese Academy of Sciences, will speak at a seminar organized by the Physics Department of the Chinese University of Hong Kong. The seminar will be held on Tuesday, October 22 at 3:30 pm at L5, the Science Centre of the Chinese University.

The seminar will focus on the scientific research development of the Chinese Academy of Sciences. Members of the public are welcome to attend the seminar.

A renowned physicist in China, Prof Zhou specializes in elementary particles, physics of explosions and radiation fluid dynamics. His remarkable contribution towards the scientific and technological development in China has won him worldwide prestige.

Prof Zhou will be conferred by The Chinese University of Hong Kong the degree of Doctor of Science, honoris causa. He will receive the honour at the University's 42nd Congregation on October 24.
