Two Chinese University Students Awarded BAT Scholarships

The British-American Tobacco Co. (HK) Ltd. has been offering scholarships to academically outstanding students of the part-time degree programmes at The Chinese University of Hong Kong on a yearly basis.

The BAT Scholarship Scheme was established at the Chinese University in 1985 when the Part-time Degree Programmes were newly introduced. Students of the Part-time Degree Programmes are often regarded as highly motivated learners among the student population. Many of them, apart from working full-time and studying part-time, have to take care of their parents and their own families. The devotion and perseverance which these students have shown throughout their course of studies is well deserved of praise and recognition.

This year, two scholarships of HK\$12,000 each were offered to Mr. Tso Kam-ming (Primary Education/3rd-year) and Miss Chan Yuen-fun (Physical Education/3rd-year). Miss Ally Ho, Public Affairs Manager of BAT (Hong Kong) presented the awards to the winners at a ceremony held recently at the university.
