Application for Admission to CU Part-time Degree Programmes

The Chinese University of Hong Kong invites applications for admission to seven Part-time Undergraduate Degree Programmes in the 1991-92 academic year. Applicants are required to submit their application forms before April 27, 1991.

The entrance requirements of the CU Part-time Degree Programmes have recently been amended. The minimum age requirements for mature students will be lowered from twenty-nine to twenty-five. The Chinese language requirements for students to be admitted on Advanced Level Examination results will also be dropped.

The length of study for Part-time Degree Programmes is made more flexible. Starting from September this year, with the exception of the upper year entrants, students who have satisfied the entrance requirements under the Advanced Level Examination category will be granted 24 units for blanket recognition of their pre-university achievements. They need only to complete a minimum of 99 units for graduation provided that all other requirements are met. The length of study for these students is then shortened to five years, instead of six years normally required of them.

Students may also apply to accelerate their pace of study if they can satisfy the prescribed conditions. A-Level entrants who need to complete only 99 units may graduate in less than five years if they have fulfilled all the prescribed conditions for acceleration.

Programmes to be offered this year include Business Administration, Chinese-English, Mathematics-Statistics, Music, Primary Education, Physical Education and Biology-Chemistry Programme.

In 1991-92, while the Music Programme will admit students to the first and fourth year, the Primary Education Programme will admit students to the third and fourth year and the Physical Education Programme will admit students to the first and third year. Other four programmes will admit students to the first year only.

Application forms are available at the following offices during the period from April 2 to 27:

1. Part-time Degree Programmes Section
Registry, CUHK, Shatin.
