王福元樓奠基典禮

香港中文大學昨午（星期三）在崇基校園為一座新教學樓舉行奠基儀式。

該大樓高八層，總面積約五千平方米，是崇基教學樓重建計劃的第二期工程，預計於明年年杪竣工。

新教學樓將設有演講廳、課室、辦公室及停車場，主要供地理系、心理學系及建築學系使用。

該大樓以本港工業家王福元先生命名，以表揚他贊助大學的研究與發展工作。王先生昨日親自主持典禮。中文大學校長高錕教授在致辭中感謝王先生慷慨捐資，協助該校成立環境研究中心，並贊揚王先生推動發展中港兩地的教育事業，是一位熱心公益的傑出工業家。

Wong Foo-Yuan Building Foundation Laying Ceremony

The Chinese University of Hong Kong yesterday (Wednesday) held a foundation stone laying ceremony for a new eight-storey teaching building at their Chung Chi campus.

Named after industrialist Mr Wong Foo-yuan, the building is expected to be completed by the end of 1993 with a floor area of 5,000 square metres as part of the redevelopment programme of teaching buildings in Chung Chi College.

Equipped with a lecture hall, classrooms, workshops, offices and covered carparks, the future building will be used mainly to accommodate part of the Geography, Psychology and Architecture Departments.

Mr Wong officiated at the ceremony yesterday. The Vice-Chancellor of the University, Professor Charles K. Kao, praised Mr Wong as an outstanding and philanthropic industrialist who has been enthusiastic in promoting education in Hong Kong.

Mr Wong has made generous donations for the establishment of a Centre for Environmental Studies and towards research programmes in the University.
