**Chinese University of Hong Kong signs Medical Faculty Exchange Agreement
with
University of Alberta in Canada**

An exchange agreement between the Faculties of Medicine of the Chinese University of Hong Kong (CUHK) and the University of Alberta (UA) in Edmonton, Canada will be signed on February 7, 1996 at Prince of Wales Hospital.

The purpose of this Exchange Program is to develop an enduring institutional relationship which will result in collaborative research, teaching and clinical programs that will be of benefit to both institutions.

Established in 1908, the University of Alberta is one of Canada's première universities. Its Faculty of Medicine MD program has led Canadian medical schools in its placings on the national licensing examinations. The Faculty offers over 30 accredited post-graduate programs in basic, clinical, and public health sciences and is supported by nearly 400 academic staffs, many of whom have received major national and international awards for teaching and research.

You are cordially invited to send a representative to cover the signing ceremony. Details are as follows:
