

### Faculty Open Day of CUHK

The Chinese University of Hong Kong will stage its first ever Faculty Open Day on Saturday, January 12 from 9:00 am to 5:00 pm to familiarize secondary six and secondary seven students with the rapidly expanding academic programmes and facilities of its five Faculties and their departments. Academic staff will be on the spots to introduce their departments and answer questions.

On the day, the five faculties of the University, namely Arts, Business Administration, Medicine, Science and Social Science, will provide information to visiting students on their component departments and existing and future academic programmes through seminars, videos and exhibitions. Certain departments will also open their facilities such as laboratories to interested students as well.

The Chinese University has been approved by the Universities and Polytechnics Grants Committee to expand the existing faculties and to establish in the coming years new programmes in architecture, nursing, pharmacy, translation, Japanese studies, food science, system engineering and environmental study. The University intends to let the visiting students on January 12 to have a better knowledge of these new programmes.

The five faculties will base their activities at different centres on campus. Arts Faculty will be in Ho Tim Building of Chung Chi College; Business Administration Faculty in Sir Run Run Shaw Hall; Medicine Faculty in Choh-Ming Li Building for Basic Medical Sciences; Science Faculty in Science Centre; and Social Science Faculty in Multi-Purpose Hall, Chung Chi College. Academic staff of the respective faculties will station at the above centres to respond to the queries of the students.

For the convenience of visiting students on the day, there will be a free shuttle bus service carrying visitors between the University Train Station and the central campus via Chung Chi College.

Inquiries on the Chinese University's Faculty Open Day could be directed to Mrs Alice So of the University's Information Office at Tel 6952359.
