Application Call for Bachelor of Nursing Programme

The Chinese University of Hong Kong is inviting applications for admission to the Bachelor of Nursing Programme in the 1994-95 academic year.

Conducted by the Department of Nursing of the Faculty of Medicine, the programme is designed for registered nurses who wish to upgrade their qualifications. Applications for admission to the programme will be accepted now until 15th January, 1994. Registered nurses with a minimum of 2 years' working experience are eligible to apply. The programme may be completed on a full-time basis in 2 years, or on a part-time basis in 3-4 years. Application forms can be obtained in person or by sending a stamped (\$1.70) and self-addressed envelope (approximate size: 7"x10") to the Admissions Section, The Chinese University of Hong Kong, Shatin.

This post-registration degree programme is designed to enable nurses to develop both professionally and personally. The Programme will deepen the knowledge base of participants and increase their effectiveness in providing patient care and promoting health in the community. Graduates may enjoy a better career prospect and will be eligible for further studies at the post-graduate level.

The Department of Nursing will conduct two seminars to provide further information about the Programme on 21 December, 1993 (7:00pm-8:00pm) and 28 December, 1993 (7:00pm-8:00pm) at LT1 Lecture Theatre, Lady Shaw Building, The Chinese University of Hong Kong. Interested persons may contact the Department of Nursing at 6097475 to reserve seats.

For further enquiries concerning admission to the programme, please contact the Admissions Section, The Chinese University of Hong Kong, at 6098951.
