新聞稿 PRESS RELEASE

The School of Education of The Chinese University of Hong Kong and the Goethe-Institut, German Cultural Centre, Hong Kong will jointly organize a Conference on "The Application of Microcomputer in the School" on Saturday, September 22, from 9:00 a.m. to 5:00 p.m. at the C.K. Tse Room in The Chinese University.

The objectives of the conference are: (1) to facilitate co-operation between the staff in tertiary institutions and the secondary school heads and teachers in science and computer studies; (2) to examine the aims and objectives of the computer education in Hong Kong; and (3) to examine ways of full utilization of microcomputer in the School.

The one-day conference will be attended by about 140 participants, most of them being secondary school heads, teachers, and staff from the Education Department. Members of the public interested in the conference may order copies of the proceedings by writing to the School of Education, The Chinese University of Hong Kong.

An exhibition of books on computers and computer education, will also be staged on the seminar day in Room 101 of the School of Education. The Exhibition, which is sponsored by L'NL Promotions Co. Ltd., and is open to the public.

September 19, 1984.
