一九八三年 九月九日

Professor Howell Tong, Professor of Statistics, The Chinese University of Hong Kong, will give his Inaugural Lecture on Friday, November 11, 1983 at 5 p.m. in Lecture Theatre L2 of the Science Centre in the University. The topic of the Lecture is "Time, Uncertainty and Statistics". The Lecture, to be conducted in English, is open to all.

Professor Tong graduated from the University of Manchester, U.K., where he obtained his B.Sc., M.Sc. and Ph. D. degrees. He has been Lecturer at his alma mater since 1970 and was promoted to Senior Lecturership in 1977. He joined The Chinese University of Hong Kong and took up appointment as Professor of Statistics in 1982. He is currently the President of the Hong Kong Statistical Society and a member of the International Statistical Institute.

November 9, 1983.
