

新聞稿 PRESS RELEASE

Applications are invited for the 1987-88 admission to the following Part-time Undergraduate Degree Programmes of The Chinese University of Hong Kong:

1. Business Administration Programme
2. Chinese-English Programme
3. Music Programme
4. Social Work Programme

The Part-time Degree Programmes were established in 1981 to provide a second chance education for those aspiring individuals aged 23 or above who had earlier in life missed the opportunity for a formal university education. There is now a total of around 520 part-time undergraduates enrolled in the University. In the past three years, 52 part-time Social Work students had graduated.

The normal length of study of a programme is six years. But students of the Business Administration Programme, Chinese-English Programme and Music Programme admitted this year may apply for permission to complete all graduation requirements in five years if they can satisfy the prescribed conditions at the end of the second year. Classes are held in the evening on campus. On completion of the prescribed course work and on satisfying all requirements for graduation, students will be awarded the Bachelor's Degree or Bachelor's Degrees with honours according to their academic results.

For the 1987-88 admission, the Music Programme will admit students to the first and fourth years; the Social Work Programme will admit students to the first, third and fourth years. The other two Programmes will admit students to the first year only. In total, about 100 students will be admitted this year.
