## Four Chinese University Students Awarded BAT Scholarships

The British-American Tobacco Co. (HK) Ltd. has been donating HK\$40,000 in scholarships on an annual basis to academically outstanding students of the part-time degree programmes at The Chinese University of Hong Kong.

The BAT Scholarship Scheme was established at this University in 1985 when the Part-time Degree Programmes were newly introduced with only four programmes. The Part-time Degree Programmes have since expanded to include nine different programmes, and the Scholarship Scheme is now in its eighth year of operation.

Students of the Part-time Degree Programmes are often regarded as highly motivated learners among the student population. Many of them, apart from working full-time and studying part-time, have also to take care of their parents or their own families. The devotion and perseverance which these students have shown throughout their course of studies is well deserved of praise and recognition.

This year the scholarship winners were Mr. Cheung Kwok-wing (Business Administration), Miss Leung Nim-ming (Chinese-English), Mr. Yik Shu-ho (Mathematics-Statistics) and Miss Ng Mei-chu (Music). Mr. Peter Kuk, Public Affairs Manager of BAT presented the awards to the winners at a ceremony held recently in the university.
