GRADUATION CEREMONY OF THE DIPLOMA IN EDUCATION PROGRAMME
FACULTY OF EDUCATION
THE CHINESE UNIVERSITY OF HONG KONG

The graduation ceremony of the Diploma in Education programme of the Faculty of Education, the Chinese University of Hong Kong, is to be held at 10:00 a.m. on Saturday, 25 June 1994, in Chung Chi College Chapel on the University campus. A total of 421 graduates, among whom about 65 are one-year full-time students, while the others are two-year part-time students, are to receive their diplomas. The officiating guest will be Ms. Poon Shuk Han, winner of the 1993 Outstanding Educators' Awards.

The Faculty of Education was established as a School of Education in 1965. Over the past 29 years, over 6000 graduates have obtained Diplomas in Education, and over 200 have obtained Master's degrees. The reconstitution of the School into a Faculty was completed in August 1991, when the departments of Educational Administration & Policy, Educational Psychology, Curriculum & Instruction and Physical Education were established. At present, the Faculty has over 60 full-time teaching staff.
