Intervarsity Debating Contest between  
The Chinese University of Hong Kong and Chinese Culture University 1992

The Intervarsity Debating Contest between The Chinese University of Hong Kong and Chinese Culture University 1992, organised by the Office of Student Affairs, CUHK and sponsored by the Morning Star Travel Service Limited, will be held on February 15, 1992 (Saturday) at 10:30 am at the Music Fountain Atrium, New Town Plaza, Shatin.

The objectives of the debate are to promote cultural exchange between students of the two universities and to enhance community interest in debating activities. The motion is "University students should actively participate in politics". The debate will be conducted in Mandarin.

The Chinese University of Hong Kong debating team triumphed over their opponents from the National Taiwan University and captured the champion trophy in the Intervarsity Debating Contest last year, while the Chinese Culture University team was the champion of last year's Inter-collegiate Debating Contest in Taiwan. Members of the two teams are now working hard for the debate so that they can perform their best at the contest.
