CHINESE UNIVERSITY STAGES ORIENTATION DAY FOR SIXTH-FORMERS

The Chinese University of Hong Kong is inviting all Sixth-Formers to visit its Shatin campus on February 6 (Saturday) to acquire first-hand information about the University's diversified academic programmes and facilities.

The Orientation Day will be held from 10 a.m. to 4 p.m. Six faculties -- including the Faculties of Arts, Business Administration, Engineering, Medicine, Science and Social Science -- will provide the latest information through exhibitions, video shows and distributing course literature. Academic staff will also be on hand to advise students and answer questions.

The event will open at 10 a.m. with a plenary session at the Sir Run Run Shaw Hall presided over by Pro-Vice-Chancellor Prof. S. W. Tam, who chairs the Orientation Day Organizing Committee. Senior staff members and faculty representatives will also be present to discuss matters related to university admissions.

To cope with the fast-changing and growing education and manpower needs of Hong Kong, the Chinese University is constantly updating existing programmes and adding new ones. In recent years, the Faculty of Engineering was established in addition to new programmes in Japanese Studies, Nursing, Pharmacy and Architecture. Upcoming in the 1993/94 and 1994/95 academic year respectively will be the Environmental Science and the Food Science programmes offered by the Faculty of Science.

Free shuttle buses will be available to take students around the campus during the Orientation Day.

For further information, please call the Information Office of the Chinese University at 609-7295.

For press enquiries, please contact Mrs Shirley Kwok at 609-7294 or Miss Annie Lam at 609-7267.
