### CHINESE UNIVERSITY TO STAGE CIVIL SERVICE CAREERS EXHIBITION 1996

A careers exhibition featuring a wide range of career opportunities in various government departments for graduates of tertiary institutions will be held next week at The Chinese University of Hong Kong.

Jointly organized by the Appointments Service, Office of Student Affairs of CUHK, and the Civil Service Branch, the Exhibition will take place on November 13 & 14 at the Sir Run Run Shaw Hall. Representatives from 22 government departments will be present to brief students on jobs available, qualifications required, salary scales, fringe benefits, training opportunities and career advancement. As many as 15 Chinese University graduates, or 57.7% of all successful local university graduates, were recommended for appointments as Administrative Officer for the year of 1995/96. Similar success rates were recorded for the Executive Officer II, Assistant Trade Officer II, Assistant Labour Officer II and Management Services Officer grades. It is hoped that the exhibition could help the graduates to devise a more informed plan for career success in the Civil Service.

The Opening Ceremony will be held on November 13 at 10:00 am. Secretary for the Civil Service, Mr. W. K. Lam, JP; the Vice-Chancellor of The Chinese University, Professor Arthur K. C. Li; Acting Chairman of the Appointments Board of The Chinese University, Mr. Irving Koo and the University Dean of Students, Professor S. T. Kwok will officiate at the Ceremony.

Government departments participating the exhibition include - Census & Statistics Department, Home Affairs Department, Correctional Services Department, The Treasury, Information Services Department, Housing Department, Social Welfare Department, Royal Hong Kong Police Force, Customs & Excise Department, Trade Department, Fire Services Department, Government Laboratory and RTHK etc.

Open to the public, the Exhibition runs from 9 am to 5 pm daily. For further details, please contact Mrs. Chan of the Appointments Service of the Chinese University at tel. 2609-7213.
