新聞稿 PRESS RELEASE

The Chinese University of Hong Kong announces that the fourth in the University's 20th Anniversary Lecture Series is scheduled to be held on Thursday, October 13, 1983, at 4:15 p.m. in the Sir Run Run Shaw Hall on the University campus. The speaker will be Dr. Choh-Ming Li, founding Vice-Chancellor of The Chinese University of Hong Kong and Emeritus Professor of Business Administration at the University of California, Berkeley, who will speak on "Business Administration and University Education" (in Chinese).

At the invitation of the Hong Kong Government Dr. Li served as a member of the First Fulton Commission in 1962, whose recommendation to establish a second university in Hong Kong was soon accepted. Dr. Li became the founding Vice-Chancellor of The Chinese University of Hong Kong in 1963 and held the post for 15 years during which time he made an invaluable contribution to the growth and development of the University. Dr. Li had been with the University of California, Berkeley, for 12 years and was Professor of Business Administration before he came to Hong Kong. He has been honoured by universities and academic institutions the world over for his contributions to education and culture.

Dr. Li's lecture on Business Administration is open to the public. Those coming from town are advised to take the electrified KCR train. A free bus service between University Station and the Sir Run Run Shaw Hall will be provided both before and after the lecture on October 13.
