新聞稿 PRESS RELEASE

Dear Editor,

The Chinese University of Hong Kong is now holding an International Training Course on Advances in Wastewater Treatment Technology in collaboration with the International Cell Research Organization under UNESCO. A panel discussion on "Hong Kong Sewage Strategy" will take place on August 27. Details are as follows:

Date: Saturday, August 27, 1994

Time: 9 am - 10:30 am

Place: L5, Science Centre, CUHK

Speakers: Mr Vic McNalley, Acting Assistant Director,
Environmental Protection Department, Hong Kong
Mr Richard Baker, Binnie Consultants Ltd
Prof M Fujita, Dept of Environmental
Engineering, Osaka University
Mr Kam Lam Tsang, Environmental Management
Division, HK Productivity Council

You are cordially invited to send a representative to cover the occasion. Enquiries: Dr P K Wong, Senior Lecturer in Biology, CUHK (609-6383) or Mr Ali Li of the Information & PR Office (609-8895).

August 24, 1994
