**Dr Lee Jung-sen appointed Life Member of the Council
of The Chinese University of Hong Kong**

An eminent business leader Dr Lee Jung-sen, O.B.E., B.A., LL.D., has been appointed a Life Member of the Council of The Chinese University of Hong Kong from May 7, 1992, in recognition of his distinguished service for the past three decades.

Dr Lee's long association with the University dates back to its inception in 1963, when he was first appointed to its Provisional Council and then the University Council.

He was a member of the Committee for the Installation of the First Vice-Chancellor and First Congregation for the Conferment of Honorary Degrees. Since then, Dr Lee has continued to offer his unfailing contribution to the development of the University as chairman or member on numerous other University Committees, including the Terms of Service Committee, Finance Committee and the Institute of Chinese Studies Grants Committee.

Dr Lee is the Chairman of the Lee Gardens International Group and director of numerous concerns, including the Swire Pacific Limited, Television Broadcasts Limited, and Shanghai Commercial Bank Limited.

Dr Lee has also nurtured an ardent interest in Chinese culture. He has significantly furthered the University's efforts in this direction as a major benefactor of its Art Gallery and as Chairman of its Management Committee.

In recognition of his outstanding service to higher education and economic prosperity in Hong Kong, he was conferred the degree of Doctor of Laws, honoris causa, by the University in 1974.

The appointment will enable the University to continue to benefit from Dr Lee's wise counsel and support.
