

新聞稿 PRESS RELEASE

「新興工業化地區的政府、教育及發展」

近年，香港、台灣、新加坡及南韓被譽為「亞洲四小龍」，經濟成就有目共睹，究竟，這與教育有沒有相互關係？香港中文大學教育學院與香港經濟研究中心將於九月二十日至廿二日舉辦學術研討會，探討上述課題。

是次學術研討會題為「新興工業化地區的政府、教育及發展」，由加州大學太平洋沿岸委員會贊助。該會較早前撥出經費予「亞洲四小龍」地區的研究人員進行研究，出席研討會的學者主要來自香港、台灣、新加坡、南韓、英國及美國多間大學，他們將在研討會上發表十篇研究論文。除了探討「亞洲四小龍」的教育與經濟發展關係，亦旁及政府政策對有關發展的影響，討論結果可作為該四個國家（或地區）未來發展趨勢的指標。

研討會將假香港中文大學行政樓祖堯堂舉行，已邀得中文大學副校長金耀基教授致歡迎詞。

研討會將以英語進行，歡迎各界人士參加。詳情請電：六零四二四二四香港經濟研究中心。

Symposium on "The State, Education, and Development in the New Industrialized Economies"

The Hong Kong Centre for Economic Research and the Faculty of Education of The Chinese University of Hong Kong will hold a symposium on "The State, Education, and Development in the New Industrialized Economies: Social and Economic Consequences" at the Cho Yiu Hall, University Administration Building on September 20 to 22.

The symposium will aim at examining the economic development of the "Four Dragons of Asia" (namely Hong Kong, Taiwan, Korea and Singapore) and the relationship between their rapid growth and the education standard of their people. It will also look at how state educational and economic policies affect development of these four places, both in the past and in the future.

The symposium is sponsored by the University of California Pacific Rim Committee, which has funded scholars to undergo research in the four areas. Scholars from universities in Hong Kong, Taiwan, Korea, Singapore, America and the United Kingdom will present 10 papers followed by discussion sessions.

Professor Ambrose King, Pro-Vice-Chancellor of The Chinese University of Hong Kong will address the symposium. All interested are welcome. Please call the Hong Kong Centre for Economic Research on 6042424 for further details.
