Invitation to Cover Orientation Day for Sixth Formers

To provide sixth formers a better understanding of The Chinese University of Hong Kong, the University is organising an Orientation Day for sixth formers on October 12 (Saturday).

Students, parents and teachers are welcome to visit the University campus in Shatin on that day to gain first-hand information about the undergraduate programmes offered. They can also visit the hi-tech laboratories, various teaching facilities, colleges and hostels.

Professor Arthur K C Li, Vice-Chancellor of the University, and the University Registrar, **Professor Richard Ho**, will jointly give a talk on the developments and the academic programmes of the University on that day. Sixth formers will also be able to share the experience of university life with our alumnus, Miss **Ngan Yee Shan** and other university students.

You are cordially invited to send a representative to cover the talk with details as follows:-
