## CHINESE UNIVERSITY TO INTRODUCE NEW ACADEMIC PROGRAMMES

The Chinese University will introduce three new academic programmes for the next two years to cater to community needs.

The new programmes are Environmental Science to be introduced in the 1993/94 academic year, and Food Science and Translation, the upcoming programmes in the 1994/95 academic year.

These new programmes will be outlined together with other sixty programmes of the University in the Education and Careers Expo'93, a 4-day event from February 18 at the Hong Kong Convention and Exhibition Centre.

The University will also hold two seminars at the Expo. The first seminar on MBA and the new Executive MBA Programmes will be held on Thursday, February 18 at 4:50 pm to 5:40 pm for business executives and university graduates who wish to study a MBA degree.

The other seminar to introduce the science and engineering programmes at the Chinese University will be held on Saturday, February 20 at 12:10 pm to 1:00 pm. Both seminars will be open to the public.
