## The Tenth Anniversary Exhibition

The Tenth Anniversary Exhibition organized by the Faculty of Medicine of The Chinese University of Hong Kong is being held at the City Hall.

The academic year 91/92 marks the 10th anniversary of the first intake of medical students to the Faculty of Medicine of the Chinese University. The celebration activities began last Saturday with the symposium on "Cancer Today", followed by the Tenth Anniversary Exhibition which will continue through this week and move to the Shatin Town Hall from May 1 to May 3.

The opening ceremony was held yesterday (April 27) at the City Hall. Officiating at the ceremony were Dr the Honourable Leong Che Hung, President of the Hong Kong Medical Association, Professor T E Oh, Dean of the Faculty of Medicine, and Professor P C Leung, Chairman of the Faculty's Ad Hoc Committee on the Tenth Anniversary Celebration.

Having its first batch of medical students in September 1981, the Faculty has by now produced about 500 graduates and many of them are now working for the health and welfare of the Hong Kong population.

The Faculty has originally 18 teaching departments. In 1991, the Department of Nursing was established to offer a post-registration degree programme in nursing. A professional Bachelor of Pharmacy programme will also be introduced in September this year. In addition to undergraduate training, the Faculty is also offering postgraduate programmes leading to the degrees of Doctor of Medicine, Doctor of Philosophy, Master of Philosophy and Master of Science.

Through the Exhibition, the Faculty will introduce to the public its history, development and research activities. Apart from board displays, there will also be video shows and demonstrations of the functions of medical equipment.
